Movie Muff

The balcony of our local movie theater turned my demure date into a cum-crazed nympho!

Luciana exudes sex and fucking and all the guys would give a month's salary to get in her little panties. I mean, when she smiles at you it is almost like she is fucking you. She is the sexiest female in the city, and everybody says that.

She has been divorced for about five years and still works as a bar maid at a small neighborhood bar that I frequent. When I stopped by after work for my usual glass of beer she would smile, and it seemed like her lovely face would sort of light up. She would bring me my beer without being asked, her lush hips swaying gently, and by the time she set the glass down my dick would be hard. I could not help it. None of the guys could either, but to be frank, I never dreamed that I stood a chance with her, so I never asked her out.

I dropped in one Saturday evening just before she quit work, and she smilingly brought me my beer. We chatted for a while, and then I made ready to go. "You aren't leaving already, are you, Eddie?" she said.

"Yeah, I may as well," I said. Then, I added jokingly, "I was thinking of going to see a movie. It's got some hot sex scenes, they say..."

"Really? Sounds like a plan!"

I laughed, never imagining she was serious. "You'd just get all hot and bothered if you saw something like that, Luciana."

"Well, so what?" she laughed, her eyes dancing. "You go to a horror movie to get scared, don't you? And a comedy movie to laugh. So, what's so terrible about getting turned on at a hot movie? Let me go with you, Eddie."

I had not been planning to see the picture at all, but she was serious! Go for it, you idiot! I thought. "Get your purse," I said.

We went up to the balcony, and it was so dark that a cat would have been blind. Luciana was holding tightly to my hand as we felt our way to our chairs and sat down, her huge eyes already on the screen where the action was hot

and heavy. The dreamy brunette was oohing and ahing in whispers, unable to believe her eyes. We sat down finally, and my eyes, now accustomed to the darkness, saw that we were quite alone.

"Oh, he has a big one!" she whispered. "Look at it, Eddie! Are they going to have sex? Are they, Eddie? Oh, look how wet her thing has become! She has a pretty one, hasn't she?" Then, she was staring. "My God,

they're doing it! They really are, aren't they, Eddie? Oh, wow! Look at him giving it to her, Eddie! Look at him go!"

We sat and watched the movie all the way through, all the fucking and sucking, all the cunt-lapping, the gasps and moans. Luciana wanted to see them again, and that was fine with me. I suddenly realized that I was seeing something few people had ever seen—this gorgeous brunette getting turned on. The lovely Luciana was getting horny from watching the sexy flick!

At one point her little dark head came over to rest on my shoulder briefly, and then lifted again, to my disappointment. It came over a second time, almost as though she was not sure I would approve. That time it stayed on my shoulder, and I inhaled the clean fragrance of her hair. My heart pounded! Then, I felt her fingers touch my leg: A thrill streaked through me, and I looked about quickly to make certain that it was Luciana's hand. It was!

I had enough gumption left to put my arm over the

back of the seats and embrace her shoulder. I saw her face there gazing at me through the dimness, felt her warm breath sort of panting against me. My arm tightened around her shoulders and the theater whirled and dipped as I saw her face come closer. Then, her lips were crushing mine! She was kissing me! Luciana was kissing me! It was impossible! The next moment her hand was in my crotch, her fingers gripping the bulge of my throbbing cock! I think I jumped four feet!

"Don't make me stop, Eddie," she whispered against my lips. "You can't know how I've wanted this with you."

"With me? Me!?" I croaked.

"It's always been you. Since the first time I saw you. "

I did not hear any more because her fingers had pulled down the zipper of my fly, her warm hand groping inside the opening. My hair was standing straight up as she carefully lifted out my cock. She was saying something, and I think she was still asking me to let her go, but I could not hear over the roaring in my brain. I was staring down at her small white hand barely visible in the darkness.

Luciana was holding my dick in her hand—and then she was gone! I felt warm breath panting against my cock, and my hair again stood on end as a pair of soft, warm, wet lips closed shyly over the head. I jumped again! This couldn't be happening! Luciana wasn't sucking my cock! I still stared down into the semi darkness, and could barely make out the shape of her little head suspended above my groin. I felt the soft lips suck firmly, felt the wet little tongue swirl briefly over the pounding knob, felt my cock surge dangerously in response.

She lifted her head suddenly, and her sweet face was

close to mine, her breath still panting, her warm hand still gripping. "Don't hate me, Eddie," she whispered. "Please don't hate me."

"Hate ... you, Luciana? Hate you?"

She lifted her mouth off my swollen rod. "I want you to fuck me! Why do you think I am sucking on it?" She dropped her dark head yet again, and my dick surged powerfully again.

I finally accepted the wondrous fact that the woman who all the guys silently cussed for refusing to put out to them, was actually giving me head! Even more incredible, she was obviously loving it.

Hesitantly, I took her head in my hands and gently began to move it up and down. In moments she had the idea, and took up the movements on her own, her sweet head bobbing in my lap. I felt my asshole tighten itself, felt my balls drawing themselves up.

"Isn't the arm of that chair hurting you, Luciana?" I asked, at last noticing that she was lying across it.

Yet again she lifted her head. "I'm alright, darling," she said impatiently. "Please don't make me stop. I've wanted this with you. Will you in my mouth, Eddie? Please give it to me." She sank back down, her head taking up the bobbing motions once more.

"Yes, baby, I'll give it to you," I breathed into the dark hair. Hell, there was no way I could stop it! I could make out the gentle curve of her hip beside me. Tentatively, I reached over and touched it through her skirt. Then I boldly drew her hem all the way to her waist. I saw the dim whiteness of her lush naked thighs there, the lighter shade of her little white panties stretched across her hip. Still she did not stop me, her head continuing to go up and down, her lips sucking firmly.

I ran my hand along one thigh, and was astonished at the soft smoothness of her skin. It was all I could do to even feel her because her flesh was so soft. For a few seconds I caressed those magnificent thighs with my fingers, and then I slipped my fingertips under the elastic waist band of her panties and pushed. My God, what an ass! Those lush cheeks, like the most expensive velvet under my fingers! The long, deep, inviting cleft separating them! How many times had I admired that plump, wiggly ass of hers, and knew that I would never get a chance to touch it in this life?

Suddenly, it was in my hand! Luciana's gorgeous ass was in my hand! Things were happening too damn fast for me. I knew I would wake up any second. I knew I would! And, I would shoot myself when I did! If that was a dream, then it was a dream to end all dreams.

I gently pushed my fingers into the deep, moist cleft and felt her little asshole hiding in there. It twitched when

I touched it, and Luciana shivered. She drew up her knee, offering me her cunt to explore, and immediately my fingers were in there. It was delightfully wet and sloppy, quivering under my careful touch. I felt the short lips and equally short crack, the silken fur growing there. I felt her shiver again, heard her gag slightly as she pushed her head down too far. I carefully slid my middle finger into the hot little vagina and felt it pulsating eagerly around it I began to work it in and out in a gentle fucking motion.

The brunette lifted her head an inch, stiffening slightly. "Uh! Ooooh!" she cooed very softly, her voice muffled.

She relaxed again.

"You came!" I whispered, enthralled.

"A little one. Now, it's your turn," she whispered. I kept on caressing her beautiful bare ass and finger-fucking her vagina as she sucked and bobbed, until I could no longer stand it. "Luciana! Baby!" I choked, the semen boiling in my balls.

The next instant my cock leaped within her happy mouth, squirting a jet of scalding cum into it. Luciana gasped in surprise, and paused for a second, then began bouncing her head up and down desperately, sucking and chewing on my exploding cockhead. She gulped, then gagged, but held on, still sucking on the jumping, jerking organ, greedily demanding the last drop.

When it was over she sat up, smoothing down her skirt. She was not looking at me, I could see. Nor was she looking at the screen. On the way home she was strangely quiet, and that hurt like hell. On the way to the flick she had been a chatterbox, but hardly spoke on the way to her

apartment.

In the front of her apartment house she stood with her head down. I still did not know what to say or do.

"I don't guess you like me very much now..." she finally mumbled, her voice quivering slightly.

"Don't like you?" I frowned. "Why not?" She looked at me with a look of concern on her sweet face.

I took her in my hands and laughed, 'I'm in love with you, and I always have been. What you did tonight only made me love you more, for chrissake.'

Her face lit up. "Really, Eddie?" she beamed.

"Oh, my god," I groaned softly, and crushed my mouth to her sweet lips, my tongue going inside. "I want to see you again too."

She was still smiling happily. "I want to suck it again," she whispered eagerly.

"Only if you let me lick your pussy in return," I grinned.

She looked at me, her heart in her eyes. Then she stepped back, taking my hand. "Would you like to fuck me tonight, Eddie?"

Do I have to tell you my answer to that question? This is the way it has been for nearly a year, and I hope it never ends. She moved in with me and we are as happy as two peas in a pod. At home I cannot keep her clothes on her. All the guys know that she runs about naked with me, and they are green with envy.

Her favorite activity is blowing me, I think, and for the first six months she could not seem to get enough of that. Every night she would lie and lick and suck and nibble on it like a lollipop until wads of my scalding cum went shooting down her throat. She was like a kid with a new toy.

Word has gotten around at the bar that she likes to suck my dick, and you should see the dirty looks I get from those guys. Luciana is proud of being a cocksucker! She does not give a damn who knows it, either. She is wild about getting her pussy eaten too, and frequently shoves the cute little thing in my face. She loves to get her asshole licked and sucked, too.

When you come right down to it, she likes to be kissed and licked from head to toe. And can that woman fuck! Her vagina is just as hot and tight as a virgin's, and she seems to move that dimpled little ass of hers in 20 different directions at once, and just comes all over the place. I have known her to climax so intensely that she would actually pee a little bit without even knowing it. God, I love to make her come like that.

"Eddie's got the cutest ass in the whole world," I heard her saying to a lady customer one day, "and it feels so good to me in bed."

Yeah, I get lots of dirty looks from the guys. But I pay them no mind. I've got what I want. So has Luciana.

A LESSON IN ANAL PENETRATION

"This has been way too easy," I think to myself as I pause to take in the scene before me. My petite young nurse/radiologist is bent over in front of me, stark naked, her upper chest and the side of her head resting on the examination table, her arms at her sides and her little hands spreading her ass cheeks, eagerly waiting for me to impale her tight little anal canal on my rigid nine inch cock.

As I ease the swollen crown of my cock up to the well lubricated rosebud of her tiny anus and press firmly forward, I feel her body tense momentarily and then slowly begin to relax. The look of concentration on her face shows me that she is following the directions I'd given her and my patient pressure is rewarded when my cock head suddenly pops through the rubbery ring of her sphincter muscle. I pause to give her body time to adapt to the foreign intruder.

Her face betrays the discomfort she obviously feels at the initial penetration, but she doesn't cry out, so it must not be too intense. Gradually the pained look is replaced by one of ... what, I wonder? Relief? Satisfaction, maybe? Or even pleasure? I try to resist the urge to immediately penetrate as far as I can into her warm tight tunnel by carefully recalling the events that led up to this moment. My

mind wanders back to yesterday...

Ramona has been working for me for over three years now and she is everything I could want in an office nurse who is also trained in radiology. She came to me straight out of nursing school with an impressive transcript and strong letters of recommendation from faculty members who I know personally and respect. She is very intelligent, conscientious, hard working, punctual, and really has a way with the kids who make up my clientele. Rosie, who is my receptionist and office manager, is really good with the parents and so the office usually is the model of efficiency.

Ramona is the type of person who would go out of her way to help anyone or any living creature in any way she could. She has lived a very sheltered life and is as sweet as she can be. If she has a fault, it is her naïve gullibility. She wears her emotions on her sleeve and she will swallow the most amazing lines with rapt attention. Rosie and I tease her often, but she's so nice that she refuses to let us bother her.

I never gave the least thought of trying to put a move on her; she is, after all, the same age as my second son and I'm a happily married man. I also didn't want to risk upsetting the office dynamic and, besides, for the longest time I thought she was still a virgin. It wasn't until she came to me rather timidly one day for my professional opinion as to whether she would be better off using the morning after pill or the daily pill to prevent unwanted pregnancy that I realized that she was sexually active.

I suggested that her OB/GYN was probably a better source to ask, but we did discuss the basics. In spite of a ferocious blush, she admitted that her periods were, indeed, regular without being on the pill. I opined that both contraceptives were effective and safe and suggested that she evaluate her choices from an economic perspective. The conclusion we reached was that when she found herself paying more for the morning after pill on a monthly basis than what it would cost to be on the regular pill that she should change over and

go with the least expensive option. That way we didn't have to delve into the specifics of how often she was getting laid and saved her further embarrassment. She was so delighted with our discussion that she actually gave me a peck on the cheek before she left my office. I got a pharmacist I know well to provide me with the costs of the various options so she had some hard figures to work with and was rewarded with another peck on the cheek.

When I noticed yesterday that she was visibly disturbed, I gently asked her if she wanted to discuss anything with me. She asked me to let her think on it and her blush strongly suggested that her agitation might somehow be sexual in nature. When she came to me after we had finished with the last patient and Emily had departed to pick up her kids, I was ready to give her a shoulder to cry on if that's what she needed. Instead, she shocked me by looking me straight in the eye and announcing that her boyfriend, who she loved dearly, was pressuring her to have anal sex with him and she didn't think she could do it. Then she broke down and started wailing.

"I really want to make him happy," she blubbered, tears running down her cheeks as I held her gently. "But, the one time I tried it when I was in college, it hurt so badly that I don't think I can ever try it again." She was so frightened that her slender body was shaking like a leaf. "I'm afraid that I'm not capable of doing it and I want to so badly."

"Well, let's see what we can do for you," I said when she calmed down a little. "What form of lubrication did you use when you tried it in college?"

The look on her face told me the answer to my question even before she stammered, "Lubrication?"

"Yes, the anal canal doesn't have any natural lubrication, so there must be some artificial lubricant used to prevent chafing and pain," I said in my best bedside manner. "KY jelly is the most widely used of sexual lubricants, but most any water soluble lube will do," I added, making the stuff up as I went along.

"Oh, I didn't know that," she murmured as she gained a modicum of control over her sobbing and sat down in the armchair in front of my desk.

"Did you masturbate yourself during the anal sex?" I asked. "You do masturbate, don't you?" This was getting better and better.

She blushed profusely and answered, "No, I certainly did not!"

"But you do, don't you?"

"Well, yes, sometimes," she admitted sheepishly. "Why?"

"Well, there are few nerve endings in the anal passage. Some women can achieve release from anal penetration, but most do not. Therefore, additional stimulation is required to make the act pleasurable for the woman and manual stimulation of the clitoris by one or more of the partners is usually required. Since it is normally easier for the woman to apply the necessary stimulation and she is generally more attuned to her own needs, it is usually left to the woman to pleasure herself during anal sex," I said, laying it on thicker and thicker.

"I didn't know that."

"And did your college partner properly relax your sphincter before penetration?" I inquired, continuing the BS.

"How is that done?" she asked, looking up at me with her big brown puppy dog eyes. I noticed that she seemed to have her tears under control now.

"Well, the method I suggest is to insert a small lubricated penetrant into the sphinc-

ter and get it to relax and expand to that size. Then introduce a larger one, let the sphincter relax and expand to accept that size and gradually increase the size of the penetrant until the anus is spread to where the penis can be inserted without causing any significant additional stretching of the muscle. The sphincter is capable of expanding to accept most any size cock that you'll find on a human, but it is a very strong muscle and has to be relaxed and gently enlarged to accommodate whatever you're looking to insert in there." Now I'm really piling it on and she is swallowing every bit of it.

"And, was the rest of your body properly relaxed before the anal penetration?" I continued, leading her on further.

She fell for the bait, "What do you mean, properly relaxed?"

"Well, I don't want to get too personal, but how many orgasms did your partner give you before the attempted anal penetration?"

"Why, he didn't even give me one the whole time!"

This was getting to be fun. "Well, I recommend that any woman who is interested is allowing her partner to perform anal sex with her demand at least two non-anal orgasms prior to the anal penetration. This will relax the rest of her body and the subsequent relaxation and penetration of the anus will be much easier and more enjoyable."

She looks incredulous. "Two orgasms? I don't know if I can have two orgasms. I'm happy to have just one," she admitted and then blushed a bright red.

"Oh, well, have you ever tried to have multiple orgasms?"

"Well, no, I haven't tried. I'm usually just trying for one. And, if I do manage to achieve one, he's usually done and asleep."

"So, you've never required him to get you off before he starts himself?"

"No, I never thought of that," she said wistfully and then suddenly perked up and asked, "Would you tell my boyfriend all this stuff if I brought him in to the office?"

I wasn't in the least bit interested in talking with her boyfriend, but I thought I spotted a possible way of helping Ramona with her problem. So I

casually said, "Well, it is possible that you're either not capable of multiple orgasms or possibly incapable of relaxing the sphincter to properly accept your boyfriend's member. If that is the case, then any talking I did with your boyfriend would be useless and would just frustrate the both of you even more.

What I suggest is that you let me examine you, and, as long as we don't find any medical problems that would prevent you from performing anal sex, I can demonstrate the techniques that are known to work and then you could actually show your boyfriend how to do it in the proper manner." I was amazed when her face suddenly brightened and she exclaimed, "Oh, would you please? When can we do it?"

"Well, do you have any plans for tomorrow? Say around 10:30 AM? We could meet here at the office."

"That would be GREAT, Doc! Thank you SO much for helping me out with this. You are such a doll! Would you like me to bring some doughnuts?" she bubbled, with a silly grin on her face.

"Sure. See you around then," I replied, trying to act as professional as possible.

She gave me a quick peck on the cheek before she skipped out the door with a broad smile on her cute young face.

That was way too easy.

Lilly & Megan

Who needs a bikini when you can go skinny dipping. Lilly and Megan took a break from the wetness of the pool to see how wet they could make each other. These two girls get down and dirty quickly, eating pussy on their poolhouse couch, and they can't get enough of the taste. No toys needed here as these two have fingers and tongues to do the job.
